THE FIVE LOVE LANGUAGES

Profile *for* Husbands

You may think you already know your primary love language. Then again, you may have no clue. The Five Love Languages Profile will help you know for certain which love language is yours—Words of Affirmation, Quality Time, Receiving Gifts, Acts of Service, or Physical Touch.

The profile consists of 30 pairs of statements. You can only pick one statement in each pair as the one that best represents your desire. Read each pair of statements, and then, in the right-hand column, circle the letter that matches up with the statement you choose. It may be tough at times to decide between the two statements, but you should only choose one per pair to ensure the most accurate profile results.

Allow at least 15 to 30 minutes to complete the profile. Take it when you are relaxed, and try not to rush through it. Once you've made your selections, go back and count the number of times you circled each individual letter. You can list the results in the appropriate spaces at the end of the profile.

Interpreting and Using Your Profile Score

Your primary love language is the one that received the highest score. You are “bilingual” and have two primary love languages if point totals are equal for any two love languages. If your second-highest-scoring love language is close in score but not equal to your primary love language, then this simply means that both expressions of love are important to you. The highest possible score for any one love language is 12.

You may have scored certain ones of the love languages more highly than others, but do not dismiss those other languages as insignificant. Your wife may express love in those ways, and it will be helpful to you to understand this about her.

In the same way, it will benefit your wife to know your love language and express her affection for you in ways that you interpret as love. Every time you or your wife speaks the other’s language, you score emotional points with one another. Of course, this isn’t a game with a scorecard! The payoff of speaking each other’s love language is a greater sense of connection. This translates into better communication, increased understanding, and, ultimately, improved romance.

If your wife has not already done so, encourage her to take The Five Love Languages Profile for Wives, which is available on page 197. Discuss your respective love languages, and use this insight to improve your marriage!
